EuroBachTeX 2002, call for contributions

13th Annual Meeting of the European T_EX users & 10th Polish T_EX
Conference EuroBachTeX 2002
April 29 – May 3, 2002, Bachotek (Brodnica Lake District), Poland

The coming annual meeting of Polish T_EX Users Group GUST held traditionally in Bachotek lake resort will host the annual meeting of the European T_EX users. The language of the meeting will be English and Polish in the last day(s).

The Web page of the meeting: <http://www.gust.org.pl/EuroBachTeX/>

This will be the 10th jubilee meeting of GUST. We hope it will be exciting and informative. We hope Bachotek is worth visiting.

The theme of the meeting is **T_EX and beyond**

The list of possible topics includes:

- Tools: T_EX-ware, editors, drivers etc...;
- Specialized macros and formats;

- Fonts;
- Multimedia publications;
- PostScript, PDF, SGML, HTML, XML, MathML, tools and applications;
- Paper publications vs electronic publishing;
- Textual databases;
- Typography issues;
- Standards.

There will be regular presentations as well as tutorials. Presentations may consist of regular papers, announcements of new fonts, sets of macros, tools, etc., studies based on professional practice and other. Conference materials will be available at the meeting.

Paper submissions (abstracts only), proposals for tutorials and remarks relating to the program of the meeting should be sent to the Program Committee chair Andrzej Borzyszkowski (e-mail: EuroBachTeX@gust.org.pl) by February 14, 2002.

Submissions should indicate also the language the talk will be delivered. If the language is planned to be Polish please submit the English abstract, if possible.

The full version of the contributions is due on April 4, 2002. Even if the submission is not a regular paper, we invite the prospective authors to have a written contribution included in the materials, just to immortalize their participation.
